I understand and acknowledge that the Pennsylvania Board of Law Examiners will administer the July 2021 bar exam remotely by using Examplify software from ExamSoft Worldwide, Inc., including ExamID and ExamMonitor, or a product with substantially similar capabilities (“software”), and by filing an application to sit for the bar exam, I expressly agree to all of the statements herein.

I understand that and agree to the fact that the software will record me during testing. I grant the Board a license to view, record and distribute audio and video taken from my examination for the purposes of proctoring, ensuring exam security, and determining character and fitness for admission.

I understand that to sit for the exam I will be required to have a computer that meets minimum system requirements for the software, as well as a functional webcam and microphone. Additionally, I understand that on the days of the exam, I must have access to the internet at the start of each test session.

I understand that the Board must be able to identify me when taking all sessions of the exam and that I must provide to the Board a photo of my face and an image of my government-issued photo identification by the deadline in order to sit for the exam. Further, I understand that my face must be visible in the test session recordings or the Board will not grade my exam answer.

Additionally, I understand that in order to be permitted to use my computer, I must register and certify software downloads with software vendor, and demonstrate that I have experience with both the computer and the software that I will be using for the bar examination by taking mock exams before examination day. By downloading the software, I consent to the use of it and the processing of data associated with its services. I acknowledge that the use of the software is a consent to video and audio recording.

I understand and agree that I am responsible for my own testing equipment, environment, and conduct. I agree to read and abide by all remote bar exam requirements and rules, including those described in the testing conditions, exam instructions, and FAQs.

I understand that the CBT fee is nonrefundable, and is in addition to my bar application filing fee. I acknowledge that any disruption in my exam such as that caused by a failure to follow directions, an environmental disturbance, or a malfunction of my computer, electric, internet, equipment or the software’s operation on my computer will not be cause for any reconsideration or modification of my score.

I understand that I must upload my answers and audio-video files from each test session to the software vendor’s secure web server when designated or the Board will not grade my answers.
